Basket & Planter Descriptions

8" Mixed Succulent Dish: This trendy succulent dish is perfect for tabletops indoors and out (outdoors is best). Each container combines several gorgeous succulents accented by a neutral coloured designer pot and pebbles on the soil surface. Colors and plants will vary.

10" Econo Mixed Basket: This basket is designed for full to part sun locations. Each basket is planted with a geranium and several other stuffers. Geranium colors and planting combinations vary.

Note - Due to the small basket size, these basket plants perform best if promptly transplanted into a larger basket/container.

12" Premium Mixed Basket: This basket is designed for full to part sun locations. Each basket is planted with several other premium trailing stuffers. Colors and planting combinations vary.

12" Premium Trailing Begonia Basket: This basket is designed for full to part shade locations (no hot afternoon sun). Each basket is planted with beautiful trailing begonias in mixed color combinations. The baskets may also contain trailing foliage plants.

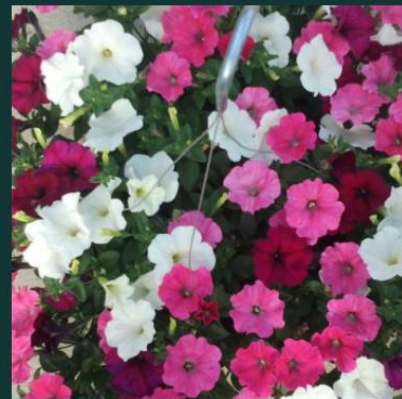

12" Premium Petunia Basket: This basket is designed for full to part sun locations. Each basket is planted with beautiful trailing/mounding petunias in a wide range of mixed colors.

12" Everbearing Strawberry Basket: This basket contains a variety of sweet strawberries that produces all season long.

12" Tumbler Tomato Basket: The "Tumbler" tomato is specially designed to grow in hanging baskets and containers. It starts producing an abundance of cherry sized tomatoes as early as June.

16" Oval Herb Planter: A selection of the easiest to grow and most commonly used herbs. Each planter contains parsley, oregano, thyme, sage, and chives. Herb selection may vary slightly. *Pot saucer not included*

12" Mixed Patio Planter: This patio planter is designed for full to part sun locations. Each planter contains a mixture of upright and trailing plants, which will provide color all-season long. Color combinations may vary. Pot color is black. *Pot saucer not included*
