Catholic Schools Tournament **Feb 28, Mar 1, Mar 2**

Students are expected to find transportation to and from the games. Before leaving they are to let the coaches know they are leaving and with whom.

During home games the teams will be asked to help set up and volunteer with various jobs that will be performed.

If there are games that the students will not be able to make let us know right away.

The tournament will be held after school and an accurate schedule will come out closer to the time of the tournament.

Any questions, please contact the coaches.

To parents:

Due to the large number of boys who signed up for basketball we have decided to make two teams for the season. The teams will alternate games with one team always playing at St Mary's and the other one travelling to the other schools. This will give the players more playing time and a better chance to develop their fundamental skills. The teams are divided evenly and will be named blue and white.
